

# DIRECT ACCESS DIAGNOSTIC TESTING

## DIRECT ACCESS... DIRECT RESULTS... FOR YOUR HEALTH

Direct Access Diagnostic Testing is now available at Meeker Memorial Hospital. Manage your health with quality, low cost testing and have the results provided directly to you.

- A physician's order is not required for these tests.
- Results will be sent directly to you. It is recommended they be shared with your health care provider.
- Critically abnormal results will be referred to an on-call physician.
- Diagnostic Imaging results will be read by a radiologist.
- Records will be maintained at the hospital.
- Anyone under the age of 18 must be accompanied by a parent or guardian.
- No insurance claims are submitted. Pre-payment required.
- Complete a brief registration and payment process at the Admitting desk upon arrival. (Cash, check or credit card accepted)

### **SERVICES AVAILABLE:**

Mon.-Fri. from 7:30 a.m. to 5:30 p.m. for Laboratory Testing

Mon.-Fri. from 9:00 a.m. to 3:30 p.m. for Diagnostic Imaging

**Call (320) 693-4519 to schedule an appointment.**

## DIRECT ACCESS DIAGNOSTIC TESTING SERVICES AT MMH

Heart disease, diabetes and stroke are examples of conditions in which early detection is crucial to intervention and effective management. Meeker Memorial Hospital offers a screening program through Laboratory Testing and Diagnostic Imaging to help identify risks associated with a variety of health conditions. You can then share these results with your health care provider and establish a plan to better manage your health.

## LABORATORY DIAGNOSTIC TESTING
